**One True God by Paul Washer**

**Facilitator: Todd Wheeler**

This study aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. Through God's own words and under various systematic headings the book unfolds the nature of God. The reader is set on a firm foundation and will readily perceive the centrality and authority of biblical doctrine within the Christian life.

by David Platt**

**Facilitator: Pastor Brad Sallee**

**Begins: Feb. 12, 2012**

We will be studying a specific Bible text each week and discussing questions around that text. I pray you will be able to answer this key question at the end of this study: "How can we together at FBC Matthews best unleash the people of God, in the Spirit of God, with the Word of God, for the glory of God in the world?"
